

Welcome Back!

What we are learning this half term.

This half term's topic will be 'Summer's Here!' and during the first few weeks the children will be learning all about Super Heroes, including Supertato and his enemy Evil Pea! We will also be receiving a fluffy surprise.

The children will read stories about super heroes and creatures that live on the beach and under the sea, as well as finding out information from non-fiction texts. We will be writing lists, captions and sentences in

different contexts in shared, guided and child initiated writing. The children will also be continuing to understand the composition of numbers up to 10, odd and even

numbers and sharing. We are going to be busy, busy, busy!

How you can help at home.

Please read with your child at least 3 times a week. Talk about the stories you read together and their home/school reading books.

Provide pens and paper for your child to practice their handwriting. They really do love to practice writing their letters and words.

Help your child to recall number bonds to ten. Use this link to help you.

<https://www.youtube.com/watch?v=ID9tjBUiXs0>

Ask your child to talk about the changes in the weather and season. Now it is Summertime and the weather is feeling warmer, you may want to discuss how to keep safe in the sun. Please work with your child at home to complete their Boundary

Reminders

- Please remember to check the school website and Facebook for any updates and home learning activities.
- Please make sure all items of clothing are clearly labelled with your child's name.
- Reading books will be changed on Monday and Thursday. Please make sure the children bring them back into school these days.
- As the weather starts to get warmer, please can your child bring a sun hat to wear when we go outside and have sun cream applied before they come to school.
