

Make observations of summer time. Draw and label as many different types of plants that you can see. Try to label the different parts.

Don't forget to bring it in or send us a picture on SeeSaw!

Year 1

Summer 2

Boundary Learning Together

Activities

There are four activities to complete. You can complete one a week and bring them in OR you can complete them all at once and bring them in at the end of the half term.

The deadline for these to be handed in is Monday 20<sup>th</sup> July.

Go on a fraction hunt and see how many halves and quarters you can find.

Create a poster about staying healthy. You can talk about healthy eating, physical activity and a healthy mind. You can draw one on paper or create one on Seesaw.

Use Paintz - <https://paintz.app/> or Seesaw to create a digital piece of art focusing on summer time. Think about the colours, lines and shapes you will use.
