Top Tips:

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey?

You don't need to practise them all at once: perhaps you could have a fact of the day.

If you would like more ideas, please speak to your child's teacher.

Use practical resources, for example –

- Counting objects around the home, making piles of 0, 1, 2, 3, 4, 5 and then counting them in order to 5 and back...use sweets, Lego, fruit, stones, leaves etc.
- Looking for numbers up to 5 around the home and when you are out and about....can they count on or back from that number?
- Singing number songs where the numbers are going backwards, e.g. Five little speckled frogs, Five little monkeys jumping on the bed etc.
