

YEAR 4 BLT AUTUMN 1

Reading into Writing

Can you write a debate about whether or not the Romans should have invaded Britain.

Remember, you need to make it a balanced argument. Therefore, you need to include both arguments for and against. Top tip: Use causal conjunctions!

History

Think about your learning about Roman villas/forts. Can you design and make a 3D Roman fort? Include as many of the original features as you can find during your research.

Oracy

This year we will continue to focus on our oracy skills. Can you record a conversation with a family member or friend about something you have been learning in school?

Black History Month

Can you research Venus and Serena Williams. Who are they? What have they achieved? What do they do to support the Black Lives Matter movement? Create a fact file with all your findings.

Science

Can you use things at home to create a model to show what the particles in a solid, liquid and a gas look like? For example, you could use Lego or Playdoh.
