EYFS Nativity Performance
Parent Stay and Play

Communication and Language Development

We will be learning to listen, attend and concentrate during appropriate activities and in a range of different situations.
We will be listening to a range of stories and answering how and why questions.
We will be using language to imagine and recreate roles and experiences in play situations.

Expressive Art and Design

We will be selecting tools and techniques needed to shape, assemble and join materials to make a variety of things e.g a junk model Gruffalo
We will be exploring the different sounds instruments make.
We will be following a recipe to make hedgehog bread

Physical Development

We will be practicing holding our pencils and other one handed tools correctly including scissors.

We will be continuing to develop our gross motor movements including hoping, jumping and skipping. Developing our special awareness when moving around.

We will be completing a range of different finger gym activities to continue to strength our fingers, helping to improve out writing.

Personal, Social and Emotional Development

We will be talking about and developing an understanding of what contributes to good health. We will be continuing to develop our independence by putting on our own coats and outdoor wear.

We will be learning how to resolve conflicts with other children, e.g. finding a compromise. We will be beginning to understand how our own behaviours affect other people

We will be learning about importance of being a good person who treats other with respect regardless of our differences. We will be learning what the term 'bullying' means and what to do if someone is unkind to us.

Mathematics

We will be practicing counting on and back to 20. We will be accurately counting out objects using one to one Correspondence.
We will be matching the correct amount of objects to a numeral.

We will be looking closely at the composition of numbers 1 to 5 including number bonds.
We will be comparing two sets of objects and using mathematical vocabulary including more, less and equal to, to describe it

We will be investigating what happens to numbers when we add and take away. We will be using a range of different models and images to help develop our understanding.

We will be creating patterns within the environment. We will be using a range of different objects to continue and create ABAB patterns

We will be ordering two or three items by length, height or capacity.

We will be exploring and recognising 2D and 3D shapes at school, home and the environment. We will be exploring the properties of 3 sided and 4 sided shapes.

We will be using our fingers to represent numbers in different ways e.g. 2 and 3 makes 5.

Literacy

We will be beginning to hear and say the initial sound in words.
We will be learning how to segment and recognise some sounds in simple words and blend them together for reading.
We will be beginning to read words and captions.

We will be practicing writing our letter sounds, forming them correctly using anti-clockwise movements.
We will be labeling pictures with simple words and beginning to write captions using our phase two phonic knowledge.

Understanding the World

We will be looking closely at similarities, differences, patterns and change including the weather and by exploring the outdoor environment.
We will be finding out about different woodland animals and exploring what the term 'nocturnal' means.

We will be finding out about different celebrations that are celebrated around the world including Divali.
We will be exploring the importance of Christmas within the Christian religions and retelling the story of 'The First Christmas' through our Nativity.
