Year 4 – Autumn 2

Our Learning Overview

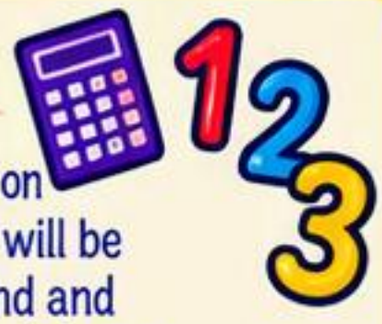

Reading into Writing

We will be writing a play script which will link to Christmas!

As a class this half term, we will be reading 'The Last Firefox'.

Maths

We will be focusing on measurement. We will be learning how to find and compare the area of shapes.

Later in the half term, we will also learn how to use multiplication and division written methods. It is vital that pupils know their multiplication tables in order to succeed.

Science

Our unit is about 'Animals including humans'.

We will focus on the basic parts of the digestive system in humans and identify the variety of teeth and their functions.

We will also learn about food chains and identify producers, predators and prey. You will use a variety of enquiry skills and we will work scientifically.

RE

We will be focusing on Islam and Ramadan. This will give us an opportunity to understand the key values of Islam.

We will be focusing on the question 'Why do Muslims fast during Ramadan?'

PE

Swimming every Wednesday.

You will carry on to practice the skills that you have started to develop last half term.

Art

We are going to be exploring patterns.

We will look at how to make a pattern and turn it into a repeated pattern for using as wrapping paper.

Design Technology

We will be looking at mechanical systems. We will look at some existing products and how they work before being given a brilliant Christmas card project!

Gymnastics

In school, we will be starting our Gymnastics topic. We will develop the key skills such as creating shapes, balancing, rolling and travelling. We will then work towards linking movements together to create a sequence.

French

We will be focusing on pets. We will use our growing vocabulary and learn new ways to ask and answer questions in French.

PSHE

We will be looking at how to maintain a healthy and balanced lifestyle, with a main focus on what makes up a balanced diet. We are also going to learn about what makes a positive relationship, including friendships. We are also going to discuss our rights and responsibilities, the importance of valuing people's differences and how to handle money appropriately.

Music

We will be looking at the music which links to the Romans.
We will be listening to a range of pieces and appraising them.
We will learn to sing some of these songs and perform using our voices and percussion.
