Year 4 - Autumn 2 Newsletter

Both Miss Crystal (Maple) and Mr Taylor (Laurel) look forward to starting our next half term together and supporting you in your learning. It's a busy one! Should you need to get in touch with the teachers, we are available for you contact us via:

admin@boundary.seteducation.org.uk

All of your user names and passwords are in the inside of your reading record. If you have lost your reading record or your login information please let your teachers know.

Our expectation is that you read at least three times a week, access Reading Eggs at home and TTRS to practise your times tables.

Reading eggs

TTRS

How you can help your child at home:

- Go on Reading Eggs or read books every day!
- Times Tables Rockstars is a great resource for learning all the times tables.
- Practise telling the time with your child every day.
- Ask them about what we have been learning in lessons such as Science, Music and French.
- Make sure they are organised each day with the correct equipment, including an always badge.

Small steps make a big difference!

Important notices:

P.E.

You must have your full PE kit in school every day. We will be doing PE every **Monday**. This should include pumps, black shorts and a white T-Shirt (your PE kit will need taking home and washing regularly). Swimming will be continuing to happen on a **Wednesday**. For swimming you will need a swimming costume/shorts and a towel. Swimming hats will need to be worn where hair is longer than collar length.

Reading

Please make sure that you read at least 3 times a week and get your reading diary signed. Your book needs to be in school every day! Go on Reading Eggs at home for at least 30 minutes a week too.

Times Tables

At the end of Year 4, you will take statutory times tables screen. So, you need to make sure you are practising them every week. You need to know up to 12x12. Children can use their Times Table Rock Star logins or go on https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check . This is a good website that uses the statutory test format.
