Year 6 – Autumn 2

Learn ♥ Explore ♥ Create ♥ Make a Difference

Small steps make big progress! ♥

Be the best version of you! ♥

CHOOSE A TASK EACH WEEK TO COMPLETE.
You can bring them in weekly or complete them all and bring them in by the last Thursday of term.

GEOGRAPHY
THE UK ECONOMY

Become an Economic Detective!

Investigate how people in the UK earn money and the different industries that help our country grow.

Create a poster, Google Slides presentation or fact file that includes:

- The main industries in the UK (e.g. farming, manufacturing, tourism, technology)
- Jobs people do in these industries
- Which industries are important in different parts of the UK
- Interesting facts about the UK economy

Challenge: Which industry do you think is most important to the UK and why?

REMEMBRANCE DAY
Lest We Forget

This half term we will be celebrating Remembrance Day. This day marks the signing of an armistice (a formal document that is signed by warring parties to stop fighting).

We would like you to find out about WWI in France and how the war affected French citizens and create a non-chronological report about it.

This could be done on paper or on Docs/Slides and emailed to us or added to the classroom.

CHRISTMAS CRAFT CHALLENGE

Get creative this Christmas!

Make a Christmas decoration, ornament or festive craft that could be displayed at home during the holiday season.

Ideas include:

- A handmade tree decoration
- A Christmas wreath
- A festive lantern
- A Christmas card
- A snow globe
- A recycled-material Christmas creation

Challenge: Include as many recycled or reused materials as possible and write a short paragraph explaining how you made it.

Bring your finished creation into school to share with the class before the end of term.

PSHE
ANTI-BULLYING

In PSHE we will be looking at anti-bullying.

Write a job specification for someone who wants to become an anti-bullying ambassador. Make sure you use the school characteristics in your writing. Hopefully, we will adopt one of these job specs for future applicants.

Be kind
Be brave
Be the change ♥

CHOOSE KINDNESS

READING CHALLENGE

READ
EXPLORE
IMAGINE
GROW

READ! READ! READ!

Write a book review about your current reading book or a text you have enjoyed on Reading Eggs.

Include:

- A summary of the text
- Your favourite part
- A character you enjoyed reading about
- A rating out of 5 stars

★★★★★

Good books brighter a brighter world ♥

WEEKLY HOMEWORK

Homework is set every Friday and is due the following Friday.

Maths.co.uk

Complete the assigned activities on **Maths.co.uk**

SPaG.com

Complete the assigned activities on **SPaG.com**

Read regularly throughout the week and keep your reading record up to date.

Please ensure all online tasks are completed by **Friday** each week.
