## BAKING...

We do a lot of baking, especially on Fridays. Sometimes we make a shopping list and buy our ingredients.

We usually work in pairs, following the instructions of the recipes. We get to take our food home for our families to try.

So far, we have made: A fruit salad, A healthy sandwich, vanilla or almond cupcakes and Halloween shortbread biscuits.

I love baking and find it very relaxing.

## HUMANITIES...

In Humanities we have been doing about continents. Here is some of the stuff we have learned so far:

- Human and physical features
- The equator
- Temperature data analysis
- World oceans mapping
- Explain that different animals live in different parts of the world
- To create an informative and persuasive poster about a specific continent, incorporating creative elements and data
- Different landmarks

Ambassador

I love humanities because it is my favourite!

## P.E...

In P.E this term, we have learnt Basketball, Hockey and rounders. We also have to do warm ups, such as the traffic light game and tag, before we play. I have enjoyed all of these sports as well as the warm ups. - HK, Student Voice Ambassador.

In P.E we do Hockey, Basketball and rounders. My favourite one to play is Basketball because its so much fun and I like scoring goals! - EB, Student Voice ambassador.

## COLLEGE VISITS...

This term, students and their parents in Year 10/11 have started to visit different Colleges.

So far, we have been to Newfriars

This is what I like about Newfriars:

- It's smaller and it is only on 1 floor
- The classrooms are smaller
- The teachers and students are very nice
- You can volunteer in cafes
- You can go to a mechanic shop
- The college day ends at 15:00
- You can go on your phone outside of lessons.

## FIRST AID...

This term we have been learning about first aid. This is where we talk about injuries and what we can do to help.

Some things we have been taught are, what to do when: Some one faints, chokes, has a burn or a cut.

I enjoyed this lesson and found it really useful.

## Poppy Appeal...

Monetary donations accepted at Intuition School, if you would like your child to take home a poppy.
