

Intuitions Annual Christmas Fayre, “Snow fest”!

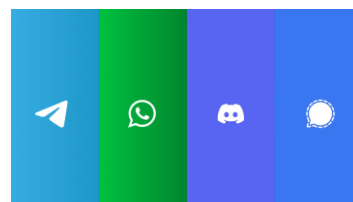

A HUGE THANK YOU!!

We would like to thank all parents, grandparents, students and staff for another successful Christmas Fayre!! This time, raising funds for resources for our students during break times.

Please watch this space, on the results of the raffle winners and a shout out to all the amazing local businesses that have donated to our school.

Your donations and presence at the fayre are greatly appreciated both by students and the staff.

KEEPING YOUR CHILD SAFE ONLINE...

Students are increasingly relying on **WhatsApp** and other social media apps to stay connected, but it's important for them to understand **the safety risks** that come with using these platforms.

While these apps make communication quick and convenient, they can also expose students to issues such as **cyberbullying, scams, fake accounts, and the pressure to share personal information.**

Messages and images can be easily forwarded or screenshotted, meaning **private content may not stay private.** Students should be encouraged to use **strong privacy settings, think carefully** before posting or sharing anything, and **speak to a trusted adult** if they encounter something worrying online.

Developing good digital habits now will **help keep them safe** and responsible as they navigate the online world.

***WhatsApp** – widely used for chat and group messaging.

***Telegram** – another popular messaging app with channels and groups.

***Discord** – often used for group chats and communities (especially for games or clubs).

***Signal** – focused on privacy and secure messaging.

***Snapchat** – messaging with photos and short videos shared among friends.

KINDI CLUB

An inclusive after-school club for young people with special educational needs or disabilities, providing a safe and fun environment where children can connect, grow, and thrive.

Each session will offer exciting activities that cater to a wide range of interests. Whether you're into sports, creative arts, movie nights, fun-filled discos, or karaoke, there's something for everyone to enjoy!

NEWSLETTER DECEMBER 2025

Dates for your diary...

Last day of term: Friday 19th December 2025

Students return to school: Monday 5th January 2026

Inset day, school closed for students: Thursday 29th January 2026

Last day of half term: Friday 13th February 2026

Students return to school: Monday 23rd February 2026

The Intuition Team would like to wish you all... A very Merry Christmas and a healthy and prosperous New Year!!

Thank you for your continued support.

COLLEGE AND THE COMMUNITY.

Students have been busy exploring their futures by visiting local colleges and attending career events to help them decide which pathways they might like to pursue when they leave school.

They have also been out in the community collecting donations for our annual Christmas Fayre, showing wonderful enthusiasm and community spirit. In addition, classes have enjoyed visiting nearby cathedrals to support their learning. To end the half term on a high note, the final week will include a special treat as students watch a performance of the Cinderella Pantomime.

Lichfield Cathedral, Longton Market, Caudwell children college event, Fenton Cenotaph, Longton town centre, Nacro college, Cauldon College, Hanley Museum and many more!
