Message from Mrs Ming

On Tuesday the KS2 children enjoyed workshops from PRIME VR company and they experienced things which complemented their learning this year such as Volcanoes, Space and the Egyptians. The visitor commented on how well behaved and enthused the children were, and the children have all asked if we can have them back again.

Attendance has slipped a bit this week with families going on holiday – please make sure that you read the policy especially around fines and legal action as I don't want any parents to be surprised if this ends up being the case. As the ice pops were not frozen on Friday the children enjoyed them during lunch this week. It was the

quietest lunchtime EVER 😊

Have a lovely weekend and we will see you on Monday for another busy week.
