Message from Mrs Ming

The children have had another good week working hard and enjoying Space tech workshops, a Shakespeare performance, brass concert and battle of the bands. Reports have been sent out today. If you have any questions about them, please arrange to speak with the class teacher.

We are holding a prize draw for £25 Aldi vouchers for anyone who gets 100% attendance for the final 8 days... you have to be in to win 😊

Don't forget to send in any photos etc for the 50th Anniversary celebrations. We will return any physical photos, or you can email them in to admin@st-martins.halton.sch.uk
Have a lovely weekend.

Message from Miss Rowe

Miss Rowe has secured another role closer to home and will be sadly leaving us at the end of term. She wanted to share the following message...

After 10 wonderful years, the time has come for me to say goodbye to this very special school community. I feel incredibly fortunate to have worked alongside such a dedicated team and to have watched so many children grow in confidence, develop their talents and shine through assemblies, projects, performances and so many everyday moments. It's been a real privilege.

To all the parents and families, thank you so much for your kindness, support and for allowing me to play a small part in your children's school lives. It has been a joy. What makes this school so special is the people. The children, staff, parents and families create a warm, caring and supportive community and I feel so grateful to be a part of it. Although it's time for me to start a new chapter, I may pop back for a day or two to say hello, but this school will always hold a special place in my heart. Thank you for an unforgettable 10 years and I wish you all every happiness and continued success for the future.

I am sure all families will join us in wishing Miss Rowe good luck for her new adventure. She has played such a huge role in the success of St Martin's and will be greatly missed by all.
