Mr D Stitcher, Head Teacher

Dear Parents/Guardians,

Can you believe it's almost February already! I even noticed a bit of daylight at 7:30 am this morning!

As you will be aware, Parents' Evening is coming up very shortly – with our two evenings being Tuesday 10th February and Thursday 12th February.

A continued focus of our discussions will be attendance. Currently, our attendance has an improving trend, but we know we could do better!

For us, the biggest problem is extended leave. The Government says that children should be in school. But we also know you may have families abroad or want to go on holidays. To help you with this, there are 13 weeks during the year during which school is closed! Please book your trips during this time – it will prevent you being fined and will help your child with their school-work, friendships and overall happiness.

So, once again, please make sure your

child is in school every day and book holidays for the school holidays only!

I'd also like to remind you that unfortunately, we have taken the difficult decision to close our after-school wrap around after the summer holidays.

This is due to a lack of demand. However, we wanted to give you as much notice as possible to ensure you have every opportunity to source alternative childcare. The current provision will remain open until the last day of term in July.

And finally, just a reminder that school closes for the half-term holiday after school on Friday 13th February and will re-open to everyone on Monday 23rd February.

Have a lovely weekend.

Please ensure your child brings a standard **school book bag** instead of a rucksack/backpack to school from Monday. Due to limited storage space on classroom hooks, rucksacks are causing health and safety issues. Book bags are required to keep cloakrooms tidy and safe.
Thank you for your cooperation.

Safer Internet Day 2026

Tuesday 10 February

Coordinated by the UK Safer Internet Centre

saferinternetday.org.uk

On Tuesday 10th February, we will be celebrating Online Safety day in school. This is a time for open a discussion about how we use the Internet.

How to engage with Safer Internet Day on social media safely

Safer Internet Day is a time to celebrate the safe and responsible use of technology through channels that are accessible and promote positive spaces for children and young people. To accommodate all of our supporters for Safer Internet Day, we will be engaging with schools and other organisations on Safer Internet Day across Bluesky, Instagram, Facebook and LinkedIn this year. Please remember to follow us and join in the conversation.

Our theme this year is about making smart choices with AI. Following widespread media reporting and public scrutiny of the AI, it is important for schools and other organisations to take proportionate precautions to ensure their communities are appropriately safeguarded. If your organisation does choose to share images across any social media platform, we recommend that images do not show young people's faces. Alternatively, ensure that young people's faces are out of focus or unrecognisable.

Your support to champion good online safety practice will ensure this year's Safer Internet Day is celebrated safely and responsibly..
