Glossary of Terms

EXS - expected standard; this is the standard to which the Department for Education expect every child to attain

GDS - greater depth; this is a standard above the expected standard.

TA - teacher assessment; some results are based on test results, some are based on teachers using all available information to form a judgement and some are based on a combination of tests and teacher assessments

MTC - multiplication times tables check; this is an electronic test administered in Year 4. There is no pass mark, so we have published the percentage of children achieving full marks.
