Educational Visit: Welsh History at Greenfield Valley

Dear Parents and Carers,

We are excited to announce that on Thursday 1st October, pupils will be visiting **Greenfield Valley** for a brand-new show about a local historical figure: Thomas Pennant from Whitford in Flintshire. Pennant was a naturalist who had great influence on the work of one of the world's greatest scientists - Charles Darwin. This is an opportunity to enjoy and appreciate Welsh history and the world of nature, learn about biodiversity and why do birds sing?

Trip Details:

Uniform: Pupils must wear full school uniform.

Timings: The trip will take place within the standard school day. Pupils should arrive at school at the normal time and will be back for usual dismissal.

Requirements: All pupils must bring a **refillable water bottle**.

Lunch: Pupils will be back in time for lunch at school.

Cost: The cost of the trip is **£9.00 per pupil**, which covers transport. The show itself has been funded by the arts council.

Payment and permission can be submitted on the school gateway app or to the school office.
