

YEAR 6

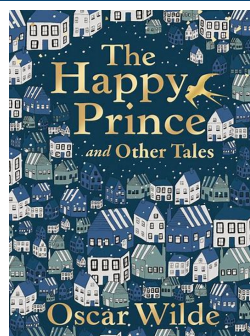

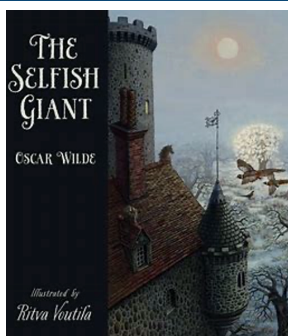

SPRING 1

Dates to note:

Wednesday 3rd January - Inset
Thursday 4th January - Back to School
Friday 19th January - Class 6 Parents' Assembly
Friday 2nd February - Coffee morning
Monday 5th February - Children's Mental health week
Tuesday 6th February - Safer Internet Day

We are reading...

In History, we are asking...

Who was James Lind and how did he impact on our lives today?

Who was James Lind and what was his life story?

What is scurvy and why was it a problem?

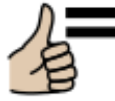

How did James Lind change the way that scientists worked?

Our virtues this half term are...

cleanliness

fairness

friendliness

Let's Say...

We were sailors on James Lind's ship...

Critical Thinking...

Who else would be on the ship?

What food might we eat on the ship?

How would this diet and lifestyle impact on us physically and mentally?

Writing Mastery Keys

- Distinguish between the language of speech and writing.
- Recognise and use formal language, including subjunctive forms.
- Use passive verbs.
- Use semi-colons to mark boundaries between independent clauses.

Maths Block

- Equivalent fractions and simplifying.
- Equivalent fractions on a number line.
- Compare and order (denominator).
- Compare and order (numerator).
- Add and subtract simple fractions.
- Add and subtract any two fractions.
- Add mixed numbers.
- Subtract mixed numbers.
- Multi-step problems.
- Multiply fractions by integers.

Science: How and why should we keep our bodies healthy?

I can ...

- describe how the heart and lungs work together.
- Link measurements to scientific knowledge to explain a concept.
- Plan and carry out an investigation to answer a question.
- Observe a process and describe what happens.

I know ...

- The function of the heart, lungs and arteries.
- The function of blood.
- The main food groups that are needed to maintain a healthy body.
- The importance of exercise.
- The difference between a drug and a medicine.

History

I can ...

- Recall key dates from James Lind's life to use in a biography.
- Carry out research to find out about Scurvy and share key information in a poster.
- Explain how James Lind made his discovery and why this was unusual at the time.

I know that...

- James Lind was a surgeon who worked on British Naval Ships.
- Scurvy was caused by a deficiency of vitamin C in the diet. It had symptoms including rotting teeth.
- James Lind carried out a systematic investigation to prove that vitamin C deficiency caused Scurvy.

Art

I can ...

use recycled materials to create an underwater scene

I can...

Use sketching to plan my finished piece of work, evaluate effectiveness and make decisions about what to include.

DT - Structures

I can ...

- Design a playground with a variety of structures.
- Consider effective and ineffective designs.
- Measure, mark and cut wood to build a range of structures.

I know...

- That structures can be strengthened by manipulating materials and shapes.
- What a footprint plan is.
- That a prototype is a cheap model used to test a design idea.

RE

PSHE

Christianity: Why do Christians believe that Good Friday was good?

Safety and the changing body:

Alcohol risks and safety; becoming critical digital consumers; social media relationships; basic first aid support.

P.E. Football and Hockey

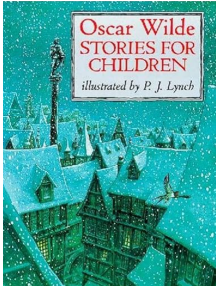

I can:

- Demonstrate skill and close control
- Pass the ball and move into space.
- Combine skills to allow my team to retain possession.
- Dribble at different tempos.
- Identify which shooting technique to use to be successful.
- Keep the ball moving when running at an opponent.

I know:

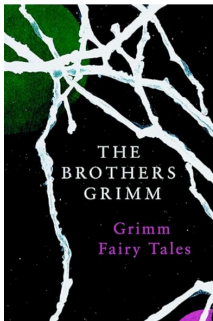

- To move to space after passing
- To anticipate that the ball might come to me at any moment
- How to get free from a defender
- To dribble with the ball close and my head up
- To run at pace when trying to dribble past a defender
- When defending how to make it hard for opponents.

If you enjoy reading The Selfish Giant, you may also enjoy...

Oscar Wilde's stories are much-loved classics and make a fantastic story collection. They are timeless, moving and very readable. Complemented by atmospheric and evocative artwork from a leading illustrator.

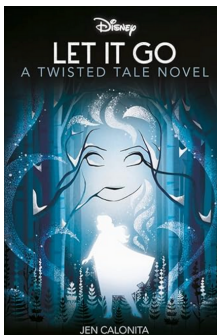

Titles included are: The Selfish Giant, The Nightingale and the Rose, The Devoted Friend, The Happy Prince, The Remarkable Rocket, The Young King

“How often when we are comfortable, we begin to long for something new!”

Welcome to the world of the Brothers Grimm: a world of heroes and villains, of a prince and his princess, of lives determined by healing spells and fatal curses.

The stories collected here have formed the basis for some of our most beloved tales, including Cinderella, Hansel and Gretel, Rapunzel, Rumpelstiltskin, Sleeping Beauty, Snow White and more.

What if Elsa and Anna never knew each other?

Following the unexpected death of her parents, Elsa finds herself the sole ruler of Arendelle and mysterious powers begin to reveal themselves. She starts to remember fragments of her childhood that seem to have been erased - fragments that include a familiar-looking girl.

Determined to fill the void she has always felt, Elsa must take a harrowing journey across her icy kingdom to undo a terrible curse... and find the missing Princess of Arendelle.
