Tuesday 28<sup>th</sup> April and Wednesday 29<sup>th</sup> April – Parents' Evening

Monday 4<sup>th</sup> May – Bank Holiday

Thursday 21<sup>st</sup> May – World Day for Cultural Diversity

Friday 23<sup>rd</sup> May – Last day of Summer 1

## We are reading...

## In Geography, we are asking...

**What is it like to live by the coast?**

Where are the seas and oceans surrounding the UK?

What is the coast?

What are the features of the Jurassic Coast?

How do people use Weymouth?

How do people use our local coast?

# Geography- What is it like to live by the coast?

<p><b>I can...</b></p> <ul style="list-style-type: none"> <li>• Show on a map the oceans nearest the continent I live in.</li> <li>• Describe the key physical features of a coast and how it changes over time using subject-specific vocabulary.</li> <li>• Describe and understand the differences between a city, town and village.</li> <li>• Use locational language and the compass points (N, S, E, W) to describe the location of features on a map.</li> </ul>	<p><b>I know...</b></p> <ul style="list-style-type: none"> <li>• To know that a sea is a body of water that is smaller than an ocean.</li> <li>• To know that there are four bodies of water surrounding the UK and to be able to name them.</li> <li>• To know that coasts (and other physical features) change over time.</li> <li>• To know some key physical and human features of the UK.</li> <li>• To know that a pictogram is a chart that uses pictures to show data.</li> <li>• To know that maps need a key to explain what the symbols and colours represent, and a title and a purpose.</li> </ul>
<b>Art</b>	<b>DT</b>
Craft and design: Map it out	Structures: Baby Bear's chair
<b>Music</b>	<b>Computing</b>
Infant Music Festival Preparations	Making Music
<b>RE</b>	<b>Spanish</b>
Hindu Dharma: How might people express their devotion?	Let's sing!
<b>PSHE</b>	<b>PE</b>
Economic Wellbeing	LFC sessions Tri Golf

Let's Say...	Critical Thinking
<p>You are training to be Official Coastal Detectives. Will you earn your certificate and become a detective?</p>	<p>What causes coasts to change over time?</p> <p>What would happen if we put one plant in the light and one in the dark? Why?</p>
Writing Mastery Keys	Maths Blocks
<ul style="list-style-type: none"> <li>● Use subordination (if, that)</li> <li>● Add -er and -est to adjectives</li> <li>● Use homophones and near homophones</li> <li>● Use punctuation correctly -apostrophes for contracted forms</li> </ul>	<ul style="list-style-type: none"> <li>● Multiplication and Division (2)</li> <li>● Measurement</li> <li>● Fractions</li> </ul>
Science- Plant Growth	
I can...	I know that...
<ul style="list-style-type: none"> <li>● Recognise there are different types of enquiry (ways to answer a question).</li> <li>● Begin to recognise whether a planned test is fair.</li> <li>● Suggest what might happen, often justifying it with personal experience.</li> <li>● Use my senses to describe, in simple terms, what I notice or what has changed.</li> <li>● Begin to use simple measuring equipment to make approximate measurements.</li> <li>● Use a prepared table to record results</li> <li>● Use my results to answer simple questions.</li> </ul>	<ul style="list-style-type: none"> <li>● Seeds and bulbs grow into seedlings by producing roots and shoots.</li> <li>● Seedlings grow into mature plants by developing parts such as roots, stems, leaves and flowers.</li> <li>● Seeds need water and warmth to germinate.</li> <li>● Plants need water, light and a suitable temperature for growth and health.</li> </ul>

## Meerkat Mail by Emily Gravett

Sunny lives on an arid plain with his extensive and loving meerkat family; they work together, play together and together do their best to stay away from jackals!

But Sunny is starting to feel claustrophobic and decides to set off to stay with his mongoose cousins and explore the outside world. He journeys through rain and shine and light and dark, reporting back to his family via a series of postcards. Sunny ultimately realises that the place he loves best is his very own home in the desert.

## Greta's Story by Valentina Camerini

It's 20 August 2018, late summer in Stockholm, and it feels incredibly hot in the city. The TV news reports rising temperatures, and there have been numerous fires throughout Sweden. Fifteen-year-old Greta Thunberg decides she can't wait any longer: politicians have to do something to save the environment. Instead of returning to school, Greta takes a placard and goes on strike in front of Sweden's parliament building.
