

# Spring 2 Class News Y3

## Miss Kingston

Key information for parents and carers

Date: Tuesday 20<sup>th</sup> February 2024

### Spring 2

Happy Lunar New Year! We are so pleased that the children have returned to school and we are really looking forward to continuing our learning in Year 3! This half term's learning is all about **Volcanos**. We will be learning all about how volcanos work, why they exist and why people live near them.

### English

During this half term we will be stepping back in time to explore Ancient Pompeii and write a setting description all about the terrible explosion in 79AD. We will continue to develop our reading skills by taking part in daily Guided Reading sessions, giving us chance to learn even more about our topic. Within these sessions we will focus on our oracy (speaking and listening) skills, developing our answers to questions about a given text. Within our Literacy lessons we will continue to follow a novel study approach to fully immerse the children in an exciting text linked to our topic.

### Important dates:

**Tuesday 19<sup>th</sup> and Thursday 21<sup>st</sup> March**

Parents evening

**Wednesday 27<sup>th</sup> March**

Last day before Easter

### PE

Our PE days are **Monday and Wednesday**.

On this day your child **must** to bring a PE kit into school. A Rivelin PE kit is a white t-shirt, black shorts/joggers and trainers/plimsols.

Children should not be wearing earrings on these days.

### Memorable Moments

**Thursday 7<sup>th</sup> March - World Book Day**

**Monday 11<sup>th</sup> March - Science Day**

### Maths

In Maths we will start by learning all about fractions, continuing to apply our growing times tables knowledge alongside this. We will then consolidate our understanding of measure focusing on capacity, volume and mass. This will involve using different units of measurement such as millilitres, litres, grams and kilograms.

To help with this, it is crucial that your child practises their times tables on TT Rockstars.

### Key things to do at home!

Remember to read with your child as often as possible. Your child will be sent home regularly with a reading book and reading record. Please also encourage your children to practise for their spelling badges and also their times table badges by accessing TT Rockstars.

Logins for these are available from your child's class teacher.
