

# Autumn 1 Class News Y3

## Miss Kingston

Key information for parents and carers

Date: September 2025

### Welcome Back!

We are excited to begin a new year and a new term. This half term's learning is all about the Stone Age. During the term, we will link our learning to *History* as we will study the clothes, food, tools and dwellings of people throughout the different time periods.

### English

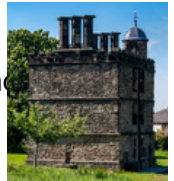

During this half term we will develop our reading skills by taking part in daily Guided Reading sessions across a range of varied text types. We will also practise our writing skills by beginning to write stories using our developing SPaG knowledge.

We are also really looking forward to using our school library for story times and to develop our class passion for reading.

### Memorable Moment

One of our memorable moments will be our trip to **Manor Lodge** on **Tuesday 7<sup>th</sup> October 2025**.

We will take part in interactive Stone Age workshops where the children will experience and discover what prehistoric life was like!

### Maths

In maths we will be focussing on Number and Place Value.

Children will be exploring the value of digits within 3-digit numbers and solving problems to apply their knowledge and understanding.

### PE

Our PE days are

**Woodpeckers - Monday and Wednesday.**

**Foxes – Tuesday and Wednesday**

On this day your child **must** bring a PE kit into school. A Rivelin PE kit is a white t-shirt, black shorts/joggers and trainers/plimsoles. We are hoping to get across to the field on the days when the weather allows.

**Children should not be wearing earrings on these days.**

### Key things to do at home!

Remember to read with your child as often as possible. Your child will be sent home regularly with a reading book and reading record. Children should also practise weekly spellings and complete times table homework. Logins for TT Rockstars will also be made available.
