Talk Assembly - Faith Ringgold and Black History Month

This week's talk assembly focused on Faith Ringgold, an inspiring African-American artist, author, and activist, as part of Black History Month. We learned how she used her art to tell powerful stories and how she was determined to make sure Black artists had equal rights and that their work was recognised in galleries. Faith Ringgold's life reminds us of the importance of fairness, creativity and standing up for what is right.

Children have really enjoyed litter picking and playing games in the garden at lunch times. It's been lovely to see so many smiling faces, working together to keep our space clean and have fun outdoors!

A Stone Age Adventure!

Year 3 had a fantastic trip to Manor Lodge linked to their history topic, The Stone Age. They learned how people lived, hunted and painted cave walls thousands of years ago. Everyone enjoyed exploring the past and trying out Stone Age activities—a fun and memorable day!
