Issue 6

Date: Friday 17th October 2025

Reception had a wonderful time exploring the Rivelin Valley on an autumn treasure hunt. The children loved spotting colourful leaves, shiny conkers and other seasonal surprises along the way. It was a fantastic walk enjoyed by everyone - children, staff and our amazing family helpers. Thank you to all who joined us for this special autumn outing!

Talk Assembly

The children did a fantastic job performing their class poems during our talk assemblies this week. They showcased impressive performance skills, used clear expression and confidently remembered their lines. Well done to everyone involved!

Parents' Evening

Thank you to all the parents and carers who attended Parents' Evening this week. It was a pleasure to welcome you into school and to have the opportunity to discuss the children's progress and achievements.

We really value the ongoing support you provide at home – it makes a real difference. The children continue to work hard, show great effort and represent the school so well. We're proud of all they are achieving.

Details of next term's events, including exciting Christmas activities, have now been shared with you and are also available on the school website.

Nursery Forest Schools Craft

'Hapa Zome' is a Japanese term which means leaf dye. Hapa Zome or 'leaf bashing' involves putting a piece of material on top of leaves and flowers then hitting it with hammers or mallets. The colour from the leaves and flowers then transfers onto the material. The nursery children then had more fun using the material to make flags!
