'Excellence for every child, every day'

Monday 5th January 2026

Dear Parents and Carers,

We are excited to announce that, to support our learning within our next topic of 'Space', we will be having a visit from a mobile planetarium! This visit will be happening within school on **Thursday 12<sup>th</sup> February 2026**

During the visit, children will have the opportunity to be fully immersed within the solar system, by entering an inflatable dome. This will enable them to see the stars and planets around us from a range of different angles and perspectives, while also having the opportunity to ask questions to an expert.

In order for this event to take place, we request a voluntary contribution of £8.00 per child. This should be paid via School Comms, by **Tuesday 10<sup>th</sup> February 2026**. If we do not receive sufficient contributions, unfortunately the visit will not be able to go ahead.

Thank you for your ongoing support,  
Mr Ross and Mr Smith  
Y5 Team
