Happy New Year 2026!

Welcome back to school and Happy New Year! The children have had a fantastic first week back and have settled in brilliantly. It's been wonderful to see how enthusiastic they already are, with everyone getting stuck into their new topics and learning with great energy and focus. We're really looking forward to the term ahead!

Please check your child's class news for information about their learning this term.

True Colours: Celebrating Who We Are

The children have been learning a new whole-school song called "True Colours", and it has been wonderful to hear it echoing around the school. The powerful lyrics reflect our core values and send a strong message about kindness, respect, and celebrating individuality. The song encourages everyone to be proud of who they are and to let their true colours shine, making it a meaningful and uplifting addition to our school community.

Please ensure you have the School Gateway app installed and notifications switched on, as this is our primary method of sharing important school information. To get started, please create an account using your email address and mobile number. You will receive a PIN, which you can use to access your child's portal.

Books That Make Us Laugh

We are continuing to build a real love of reading across the school, and it's been wonderful to see how much the children are enjoying being read to and sharing book recommendations with one another. A special thank you to Kit for recommending Mr Penguin and the Lost Treasure. The Tawny Owls class have absolutely loved listening to this story and have found it so funny – there have been lots of laughs during story time!

Excellence for every child, every day
