Our Friends in Rwanryana

In Talk Assembly, the children learned more about the lives of children in Rwanryana. We're proud to have a personal connection with them as our pen pals.

We heard how much they enjoy learning and helping to care for their school. Although they don't have toys, they love playing games like football and even made their own ball. It's important that we stay in touch and continue supporting charities such as the Bevan Community Trust.

Romans Rule in Y4!

Year 4 had a fantastic time at their Roman Day yesterday. The children came dressed as Romans and Celts and really embraced the experience. They especially enjoyed making their own aqueducts and learning more about life in Roman Britain. It was a great day of hands-on learning and fun.

Colour in Full Swing in Year 2!

You could have heard a pin drop in Year 2 Dragonflies this week! The children were completely absorbed in mixing colours to create their own paintings inspired by Alma Thomas. Alma Thomas was an American artist known for her bright, colourful, patterned paintings inspired by nature and space. She used bold colours and repeated shapes to create vibrant works of art. The children showed fantastic focus and creativity - we're very proud of them.
