'Excellence for every child, every day'

Y6 First Aid – Wednesday 22nd April 2026

Dear Parents/Carers,

As part of our life skills curriculum, Y6 will be learning about first aid and how to administer it safely. To enhance this, Y6 will have the opportunity to take part in a first aid session run by the company Mini First Aid Sheffield. The sessions are run by qualified medical professionals with over 30 years of medical experience including working as ambulance technicians, ex-army combat medics and paramedics.

Each class will take part in a 2-hour session where they will learn the basics of first aid including: CPR, head bumps, fractures, bleeding and more through a hands-on experience. The session will cost £7.00 per child and payment can be made via the school gateway app.

Thank you for your continued support.

Kind regards,
Miss Hague and Mrs Thacker
