### First Aid training - Year 6

Date: Friday 24<sup>th</sup> April

Year 6 students this week proudly completed a special first aid training course, gaining essential skills that could one day save lives. From learning how to treat minor injuries to understanding how to respond in emergencies, they showed great focus, teamwork, and maturity throughout. This achievement not only builds confidence but also empowers them to look after themselves and others—well done, Year 6!

### EYFS Earn Special Recognition

We are delighted to celebrate our EYFS team for achieving the Commitment to Quality Award again! This fantastic recognition reflects their dedication, passion, and unwavering focus on providing the very best start for our youngest learners. Their nurturing environment, high standards, and commitment to excellence make a real difference every day—congratulations to the whole EYFS team on this well-deserved achievement!

### Making Sense of Autism training

We are proud to celebrate all our staff completing specialist 'Make Sense of Autism' training to raise awareness about autism this week. This important learning strengthens our understanding, helping us create a more inclusive, supportive environment where every child feels valued and understood. Here's a picture of me proudly holding my certificate!

### Internet Safety

This week in talk assemblies, all children learned about internet safety and why strong passwords matter. A great step in helping them stay safe and responsible online!
