'Excellence for every child, every day'

Dear parents/carers,

In preparation for warmer weather to come, we wanted to politely remind you that all children should be bringing a named water bottle with them into nursery every day.

We also wanted to clarify our position on sun cream. We appreciate that the nursery children are very young and will need support applying sun cream. We are happy to provide this support, but we ask you to help us make this easier by doing the following:

- Please teach your child to apply their own sun cream as well as they are able. We will supervise them and support them, but with a whole class, I hope you can appreciate it is easier for us if the children can have a go themselves. A roll-on sun cream tends to be the easiest option for most children but this is not essential.
- Please ensure that you put sun cream on your child before they arrive at nursery, if it is going to be a sunny day. We will then support children, doing a full day in nursery, to reapply their sun cream at lunchtime.
- We do not provide sun cream, please ensure, if you want us to support your child in reapplying their sun cream, that you bring it in with your child each day. It must have your child's name on. We will provide a tray in the entrance area for all the sun cream to be placed in in the morning so we know who needs it reapplying. Please do not leave it in your child's bag as we may not realise they have any.
- Some children can be allergic to some sun creams. Please tell your child that they are not allowed to share their sun cream with other children. We will remind them of this at school.

If your child is bringing in a sun hat/sunglasses to nursery, please ensure these also have your child's name on.

Thank you for your cooperation,

The Nursery Team

2018-2021
