Theatre Comes to Rivelin!

Today, the children thoroughly enjoyed a theatrical production of the classic novel *The Railway Children*. The performance was such a success with both pupils and staff that we have already booked another whole-school production for next year—this will now become one of our ongoing annual experiences. Our Year 6 pupils were also lucky enough to take part in a behind-the-scenes tour!

Top of the World

We've been learning *Top of the World* by The Carpenters, and the children are singing it beautifully! Listen out for them performing it to you before home time later this term. A date is yet to be confirmed, but we will share this with you as soon as it is arranged.

I love it when people sing together.

Library Update

We're excited to share that our library is being refreshed with brand new furniture and an electronic signing system. We apologise that the library is currently closed, but we can assure you that some fantastic improvements are underway. We're working hard to create a welcoming and engaging space that all children will enjoy using. We'll have lots of brand new books that everyone will enjoy!
