Pride of Yorkshire

A huge thank you to all of our families for your kind donations and support towards our lion cub project.

We are so excited to share that our lion cub will be part of the Pride of Yorkshire Sculpture Trail this summer and will be displayed at Weston Park Museum, Sheffield, from 8th June - 7th September.

We can't wait for everyone to go and see it proudly displayed alongside the other fantastic sculptures across the region.

Clay Creations!

At Rivelin, we have an exciting art curriculum, and our brand new sculpture lessons have begun! The children in Year 3 have been expressing their creativity using a range of clay techniques, including rolling, shaping, smoothing, joining and adding texture. We were so impressed with their imagination, focus and artistic skills.

Junefest is coming!

Join us on Friday 12th June, 3:30pm-5pm, for another fantastic Junefest filled with fun, laughter and community spirit! From games and activities to performances and special treats, it's always one of the highlights of the school year.

Parents and carers are also welcome to run their own stall if they wish – please enquire at the school office for more information. We can't wait to celebrate together and make lots of wonderful memories.

Excellence for every child, every day
