'Excellence for every child, every day'

Friday 15<sup>h</sup> May, 2026

Dear Parents and Carers,

We are pleased to invite parents and carers to a Contenance Drop-In Session taking place on Wednesday 3rd June.

This session is open to all families and offers an opportunity to speak informally with members of the school team about any continence or toileting concerns you may have regarding your child. There is no need to book an appointment — parents and carers are welcome to simply come along if they would like support, advice, or guidance.

We understand that toileting and continence can sometimes be challenging for children and families for a variety of reasons. The session may be helpful for families whose children:

- Have SEND needs or additional needs
- Experience sensory differences or sensitivities
- Are reluctant or resistant to toilet training
- Need support with routines or toileting independence
- Have anxiety around toileting
- Would benefit from parenting advice and practical support strategies
- Experience daytime or night-time continence difficulties

The aim of the session is to provide a supportive, non-judgemental space where families can ask questions, seek advice, and access appropriate support from the team.

If you would like any further information, please contact Mrs Grayson via the school office.

We look forward to supporting you and your child.

Kind regards,

Mrs Grayson  
SENCO
