Happy half-term!

In Nursery this week, we have visited the school garden to hunt for some of the bugs we have been learning about this half-term. We spotted slugs, woodlice, spiders and a green sheildbug!

On Monday, after much anticipation, we released our butterflies into the sunshine. The children have thoroughly enjoyed observing the full process of metamorphosis over the past few weeks and have shown such curiosity and care throughout.

On Tuesday, we were very lucky to welcome a visit from Dr Burr, who spoke to the children about his role as an anaesthetist and how he helps people in hospital. He also taught us about the importance of keeping our bodies healthy through good sleep, healthy eating and regular exercise. The children asked some fantastic questions!

What a wonderful final week of term it has been – it is hard to believe that we only have half a term left!

Have a wonderful half term holiday!

Dates for your diary
