Oracy Showcases

This week we celebrated some fantastic oracy showcases across school! **Year 1** impressed us with their confident speaking and learning about Florence Nightingale and Mary Seacole, sharing facts, poems and ideas brilliantly. **Year 3** also wowed us with their history learning as they presented their work on the Sinking of the RMS Titanic. Well done to everyone for speaking so clearly, confidently, and enthusiastically!

Talk assemblies

This week's assemblies focused on the important themes of **equality** and **equity**, helping children to understand the difference between treating everyone the same and giving people the support they need to succeed.

Year 6 visit Crucial Crew

Year 6 had a fantastic visit to Crucial Crew this week, taking part in a range of important workshops and activities designed to help keep them safe and informed. They represented the school brilliantly with their excellent behaviour, thoughtful questions, and enthusiastic participation. Well done, Year 6!

Through discussions and reflections, pupils explored fairness, kindness, and how we can create an inclusive community where everyone feels valued and supported.
