Talk Assembly

In this week's Talk Assembly, children explored the power of words and how they can build others up through kindness, respect, inclusion and encouragement.

Our Year 5 and 6 pupils looked at this in more depth, learning about guidance used by FIFA to help identify different types of inappropriate language. They discussed the differences between insulting, offensive and abusive language and shared some thoughtful and mature reflections.

RESPECT

A Trip to Magna Museum

Year 6 had a fantastic day at Magna Science Adventure Centre. They got hands-on exploring the exhibits and then had fun getting very wet at the splash park and playground.

Friday 12th June 3:30pm - 5pm - We look forward to seeing you there!

A Trip to the Farm

On Monday, Reception had a wonderful trip to Cannon Hall Farm. The children enjoyed a guided tour with the farmer and learned all about the different animals on the farm. They represented our school beautifully, and we could not be prouder of their behaviour, enthusiasm and curiosity throughout the day.

A huge thank you to all of our volunteers for giving up their time to support us – we really couldn't have done it without you.

Excellence for every child, every day
