'Excellence for every child, every day'

Tuesday 3<sup>rd</sup> June 2026

Dear Parent/Carers,

We are delighted to invite your child, as a member of our Eco Warriors, to attend a visit to the Rivelin Valley on **Wednesday 10<sup>th</sup> June 2026**.

This visit forms part of our ongoing work to develop children's understanding of local ecosystems, river habitats and environmental conservation. During the visit, we will be working alongside Rivelin's River Wardens, who will share their expertise and equipment with the children as they explore the river environment.

The children will learn about river health and water quality monitoring. The River Wardens will collect samples from the river, which the children will then help to examine and analyse. This will allow them to investigate the wildlife and environmental factors that indicate the health of the river, whilst remaining safely on the riverbank at all times.

This hands-on experience will help the children develop their scientific enquiry skills and gain a deeper understanding of how we can protect and care for our local environment.

We will walk to Rivelin Valley, departing school at 10am. We expect to return to school by dinnertime.

Please ensure your child wears suitable outdoor clothing and sturdy footwear appropriate for uneven ground and the weather conditions. A waterproof coat is recommended.

We are very excited about this opportunity and look forward to the children developing their knowledge and enthusiasm for environmental conservation.

Kind regards,

Mrs Bunting
