Thank You!

A huge thank you to everyone who has donated books to our new school library through LoveReading. We are so grateful for your support - our library is going to be an amazing space for children to enjoy and discover new books.

If you'd like to support the project, you can donate a book from our wish list here:

Every book purchased is sent directly to school and will help us build a fantastic library for all our children.

Junefest 2026

What a fantastic afternoon we had at Junefest last Friday! The children had so much fun, and it was wonderful to see our school community coming together to enjoy the event.

A huge thank you to everyone who attended, volunteered, donated and supported us. Thanks to your generosity, we raised an incredible £1,770 towards developing our Forest School project. We are so grateful for your support and can't wait to share our Forest School journey with you!

Future Enrichment at Rivelin

From September, we will be introducing a range of new enrichment opportunities. Children will take part in more visits, workshops and experiences that bring learning to life. We are also launching a new careers programme to help pupils learn about different jobs and future opportunities. Together, these experiences will help children develop new interests, broaden their horizons and raise their aspirations for the future.

Sports Days Next Week

A reminder that Sports Days will take place next week. Please ensure your child has their PE kit, is wearing suitable footwear and has a water bottle. If the weather is warm, please apply sun cream before school.

We look forward to seeing you there and celebrating the children's achievements!

Excellence for every child, every day
