One week to go!

On Monday, we held our final Nursery Open Classroom of the year! The children worked together brilliantly to build dens before gathering around the fire to toast marshmallows. We were very impressed by how grown-up and sensible they were around the fire! Thank you to all the grown-ups who were able to join us. The children had a wonderful time sharing this special experience with you.

Nursery have also had lots of fun chalking all over the floor this week! They loved having such a big space to draw, making pictures, patterns and all sorts of chalk creations!

Also in EYFS, the children enjoyed using sticks, twigs and leaves to create their own wands! This was a fantastic opportunity to develop their fine motor skills through cutting, threading and weaving.

On Wednesday, the Reception children took part in a sponsored walk to raise money for Guide Dogs UK. They showed lots of determination and enthusiasm as they completed the walk and even had the chance to meet one of the guide dogs!

Reception also had the opportunity to watch the Year 6 end-of-year performance of Rapunzel and the Barbershop Bros. They thoroughly enjoyed it!
