'Excellence for every child, every day'

10th July 2026

Dear Parents/Carers,

School Dinner price increase from September 2026

We want to inform you that the cost of school dinners will increase to £3.15 a day from September 2026 for children in Year 3 and above.

Children in Year 2 or below do not have to pay for school meals.

Schools like Rivelin, have previously subsidized the cost of a child's school meal in order to keep the cost to parents as low as possible but in the tight financial conditions we are currently working in, sadly, we are unable to continue paying this subsidy.

If you think you may qualify for free school meals, even if your child regularly brings a packed lunch, please do pop to the school office and we can help to check your eligibility for you.

Registering for free meals will also raise extra money for school to enable us to fund valuable support like extra tuition, additional teaching staff or after school activities so we encourage you to apply.

Thankyou

Ms S Wilson
School Business Manager
