How can you help at home?

- ❖ **Homework** is given on Google Classroom. It goes 'live' every Thursday. The spelling tests are on Thursdays and mental maths tests are the following Friday. Sometimes other homework is given which may have a different hand in date.
- ❖ **Reading:** Hear your child read several times a week and ask them about their reading. Their reading record needs to be in their bag every day.
- ❖ **Spellings:** There will be a spelling test each week on a Thursday
- ❖ **Times Tables Rockstars/Numbots:** Children should access this several times a week for 10 minutes or so each time. There will be a weekly times tables test and a separate mental maths test, both on Friday.

Autumn Educational Enhancements
