

Squirrels Year 1 and 2 Summer Term Two

English

We will be using inspiring pictures of characters and setting to focus on key aspects of our writing such as capital letters, full stops, coordinating conjunctions and adjectives. Year 2 will also be thinking about suffixes, subordinating conjunctions, commas and speech marks.

Mathematics

Year 1

- *Time to o clock and half past
- *Weight and capacity
- *2D and 3D shape

Year 2

- * Time to 5 minute intervals
- *Weight, capacity and temperature
- *2D and 3D shape
- *Statistics

We will learn Maths through fluency, reasoning and problem solving activities.

Geography

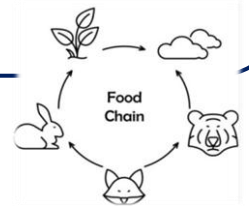

We will be learning about our local area.

We will be learning all about the different features in Twynning and using a map to explore these. We will be learning to identify North, South, East and West using a compass. We will use our map reading and compass skills to complete fieldwork within our school grounds.

Science

We will be learning all about animals including humans.

We will be looking in more detail at how humans need exercise, a healthy diet, good hygiene and healthy sleep patterns. We will also be learning all about herbivores, omnivores and carnivores as well as identifying sources of food within a food chain.

Phonics

Year 1 will be learning Phase 5 phonics. Children will be taking the Phonics Screening Check this term. Year 2 will be learning Spelling, Punctuation and Grammar (SPaG)

Terrific Twynning

Art

We will be completing our tie dye t shirts and evaluating them.

P.S.H.E

We will be learning all about growing and changing. Please see the letter sent out.

R.E

We will be asking the question, what is the good news Christians believe Jesus

Music

We will be continuing to explore improvisation.

Computing

We will be continuing to learn about digital imagery.

P.E

We will focus on ball skills using nets with Coach Sam, as well as striking and fielding.

P.E will be on a Tuesday and Friday.
