

# Squirrels Year 1 and 2 Autumn Term Two

## English

Our fiction text this term is *Where the Wild Things Are*. Our focus is Settings. We will be learning to use conjunctions, use sentence openers (including the *-ly* suffix) and describe a setting using our senses.

Our non-fiction unit will be a recount of our trip to the Wilson Museum.

## Mathematics

Year 1

Year 2

Addition to 10

Addition to 100

Subtraction to 10

Subtraction to 100

Shape

Shape

We will learn Maths through fluency, reasoning and problem solving activities.

## History

We will be learning about Scott of the Antarctic and his team, including Edward Wilson. We will find out what happened on the journey to the Antarctic, why it was so important and how we remember it today. We will compare Scott to the explorer Christopher Columbus.

## Science

Year 1 will continue to learn about seasonal changes including how temperature and day length varies with each season.

Year 2 will continue to learn about living things including animals and their habitats.

# Antarctic Adventures

## Phonics

Year 1 will be learning Phase 5 Phonics.

Year 2 will be working on spellings and reading comprehension.

## Art and D & T

We will be learning to design and create our own windmill. We will also enjoy some Christmas and winter craft.

## P.S.H.E

We will be learning about valuing differences in ourselves and others.

## R.E

We will be learning about why Christmas is important to Christians.

## Music

Year 1 will be learning the ukulele and Year 2 will be learning the recorder. We will all be learning songs for our Nativity play.

## Computing

We will be learning about computer systems and basic computer skills.

## P.E

We will be working on sending, receiving and ball skills.
