Year 1

Year 2

Place value to 10

Place value to 100

Addition

Addition

Subtraction

Subtraction

We will learn Maths through fluency, reasoning and problem solving activities.

History

We will be learning about the significant historic figure Mary Anning. We will find out how she contributed to national and international achievements through her work on fossils. We will explore how she helped us understand more about when dinosaurs roamed the world.

Science

Year 1 will be learning about the four seasons with a focus on Autumn. We will be exploring the changes across the seasons.

Year 2 will be learning about living things including animals and their habitats.

Phonics

Year 1 will be revisiting Phase 3 and 4 before starting Phase 5.

Year 2 will be learning Spelling, Punctuation and Grammar (SPaG)

Dig, dig, dig!

Music

We will be learning about rhythm and pitch through using our voices and percussion instruments.

P.S.H.E

We will be learning about different aspects of positive relationships.

R.E

We will be learning about Christianity and what Christians believe God is like.

Art and D & T

We will be creating harvest landscapes though using different media.

Computing

We will be learning about computing systems and using a computer.

P.E

Our skills will be coordination (footwork) and static balance (one leg). Our learning focus will be 'personal'.
