### SPORTS DAYS

As you know, all our Sports days are taking place next week on Tuesday, Wednesday and Friday. Just a reminder that the schedule is:

Tuesday at 9:15am - Nursery Sports Day

Wednesday at 1.30pm – Reception and KS1 Sports Day

Friday at 1.30pm – KS2 Sports Day

We are well aware that the British weather can be a challenge, and we're watching the weather very carefully! IF there is rain and we have to call any event off, we will notify everyone by the school app – no need to call the school. However, we expect all to go ahead so plenty of sun cream, caps and water bottles on the day. ***ALL children to come to school in their PE kits on their Sports Day.*** Could we please be mindful when parking as the road outside school is very narrow.

At the end of the afternoon sports days, children are allowed to go home if parents are there to collect them. ALL children must go into class first and then be dismissed from their class exit as normal.

At the end of the event, if parents could take their chair over to the school, that would be a great help. Thanks for your support.

### CELEBRATION OF THE WORD- DO NOT BE AFRAID

This week's Celebration of the Word focused on a powerful and reassuring theme: "Do not be afraid." It was a message that resonated beautifully across the school, offering our children a moment to pause, reflect and feel supported in their daily lives. Classes explored what it truly means to trust, to be brave and to know that they are never alone when facing challenges. Through scripture, discussion and prayer, the children reflected on times when they may have felt worried or unsure, and how faith, kindness and the people around them can help them find courage.

## WORLD CUP FEVER AT ST GEORGE'S

Friday was one of those truly unforgettable days in school where learning, excitement and community spirit all came together. Our World Cup Day was a huge success, and it was wonderful to see every child—from our youngest in Nursery to our oldest in Year 6—immersed in a full day of global

learning and football fun. Every class was allocated a country from the World Cup, and the children threw themselves into exploring their nation with real enthusiasm. They spent the morning discovering fascinating facts, learning how to say key words and phrases in their country's language, and even tasting traditional foods linked to their nation.

The corridors were filled with the sounds of new languages, the smells of delicious dishes and the buzz of children proudly sharing what they had learnt. It was a brilliant way to bring geography, culture and curiosity to life.

Of course, it wouldn't be World Cup Day without plenty of football—and we certainly had that. The day kicked off with a lovely Nursery and Reception match, full of smiles, teamwork and determination. After that, our Year 1 and 2 tournament took centre stage, with Spain emerging as the champions after a fantastic display of skill and sportsmanship.

In the afternoon, the excitement continued as Years 3–6 took to the pitch for their tournament. After a series of thrilling matches, it all came down to a

dramatic final where Argentina beat England to lift the trophy. The atmosphere was electric, and the children showed brilliant teamwork, resilience and respect throughout. What made the day truly special was seeing every single child in the school engaged, active and joyful—learning about different countries, celebrating diversity, and enjoying the simple magic of playing football.

## FATHERS DAY STAY & PLAY

We had such a heart-warming start to the week in EYFS as we welcomed so many dads and grandads into Nursery and Reception for our Fathers' Day Stay & Play sessions on Monday and Wednesday. The atmosphere across the classrooms was full of smiles, laughter and those lovely little moments that make these events so special.

It was wonderful to see our children absolutely bursting with pride as they showed off their play areas, favourite activities and all the things they enjoy doing each day. From building towers to role-play adventures, from painting to outdoor exploring, the children loved having the chance to share their world with the grown-ups who mean so much to them.

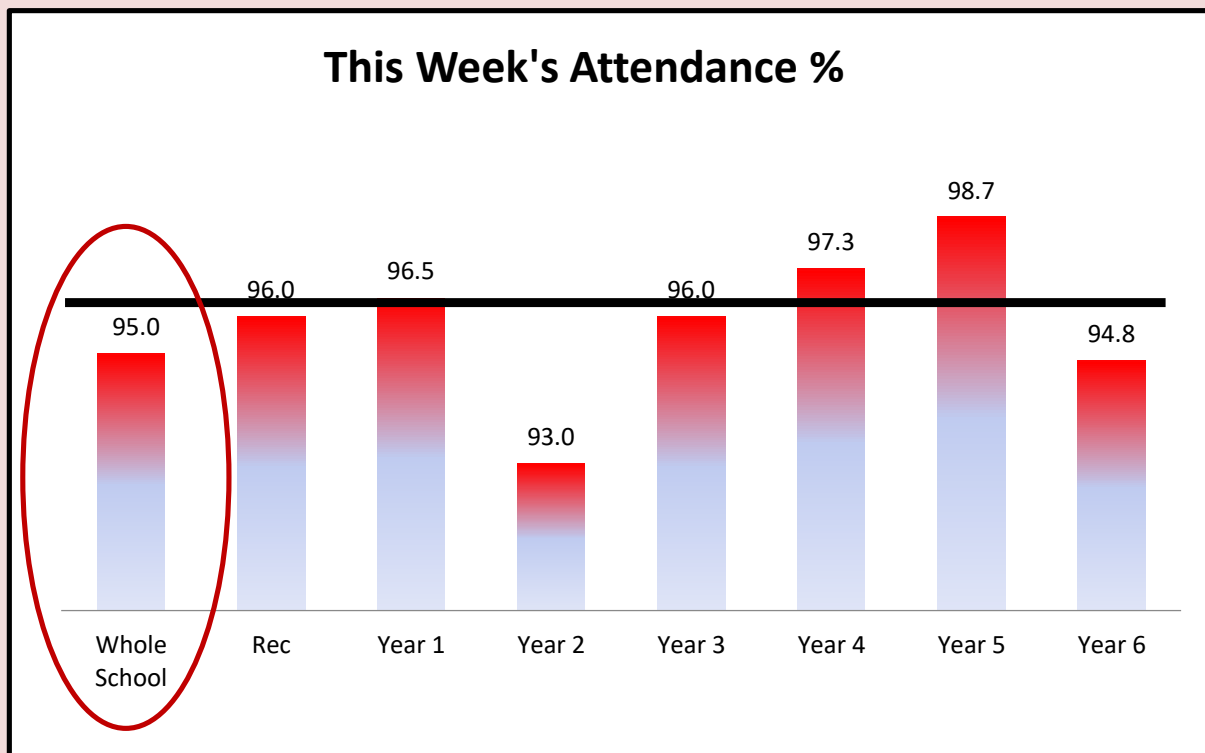

What made the sessions truly memorable was the warmth and enthusiasm from our families. The children were beaming as they played, chatted and created alongside their dads and grandads, and it was clear how much these moments meant to them.

Thank you to everyone who joined us and helped make our Fathers' Day celebrations so special. It was a joy to see such strong family engagement and to watch our little one's shine with confidence and pride.

### ATTENDANCE

As a school, we are close to our school target. The school target is 96.5% - as represented by the black line.

**Well done to Year 1, 4 and 5 for getting above our school target!**
