MESSAGE FROM CHILDREN'S COMMISSIONER FOR ENGLAND

Good afternoon,

Today I have published my annual report on Children and Young People's Mental Health Services. As I enter my final year as Children's Commissioner, one thing is clear: before we make decisions that affect young people, we need to listen to young people.

Children's mental health is no exception. The number of children with a referral to mental health services has reached over a million – about 1 in 10 children – almost double the 564,000 in 2018-19.

We know there are still many more young people whose voices deserve to be heard. I would therefore be grateful if you could continue promoting my national survey, The Big Future, to pupils, parents and carers over the coming weeks, and encourage as many young people as possible to take part before it closes:
<https://www.childrenscommissioner.gov.uk/thebigfuture>. Teachers, parents and carers can respond on behalf of young children, or those who may need support to access the survey.

Many schools have successfully increased participation through form time, tutor periods and assemblies. To support this, I have created a range of resources, including an introductory video, lesson materials and FAQs, all available on my website.

THANK YOU

A massive well done to everyone who donated to the smartie challenge. The whole school raised an amazing £461.32 for St Josephs Hospice

IS FOOTBALL COMING HOME?

As England are playing in the early hours of Monday morning, we know many families may choose to stay up and enjoy the excitement together. Moments like these can be special, and we understand that the late kick-off might make the following morning a little trickier than usual.

To support families, **our registers will remain open until 10:15am on Monday morning**. This will give children a little extra time to get in safely and calmly after what may be a very late night.

Thank you, as always, for your support and partnership. We hope everyone who is watching enjoys the match, and we look forward to welcoming the children—whether bright and early or a little later—on Monday.
