Wednesday 16th- Santa Dash

Friday 18th – School closes at 1.00 for Christmas holidays

St. George's Catholic Primary Newsletter 9th October 2026

ECO COUNCIL POSTER COMPETITION!

The Eco Council are excited to announce a poster competition for all children in our school! We would like children to design a colourful and creative poster to help us keep our school eco-friendly.

We need individual A4 sized posters to be displayed in the relevant areas around school for each of the following ideas so please design one poster from below:

- Please turn off the lights when you leave a room.
- Please turn off your monitor when you have finished using it.
- Please turn off the taps when you have finished using water.

We would love to see lots of bright, creative and eye-catching designs that will help everyone in our school look after our planet.

Competition deadline

Please bring your completed poster to school by Monday 2nd November. The Eco Council will choose the winning poster, so make sure your design is clear, colourful and creative!

Good luck everyone!

SEND COFFEE MORNING

We are pleased to invite parents and carers to our next SEND Coffee Morning, which will take place on Thursday 15th October at 9:15am here in school. This informal session will provide an opportunity to meet with school staff, share experiences, ask questions and discuss ways in which we can continue to support children with additional needs. If you would like to attend, please email the school office at admin@stgschool.uk so that we can organise refreshments and ensure we have appropriate seating available. We look forward to welcoming you.

LFC FOUNDATION'S BLACK HISTORY MONTH EVENT

On Thursday, a group of our Year 5 pupils had the fantastic opportunity to attend the LFC Foundation's Black History Month Event at Anfield.

The event brought together children from schools across the region to celebrate the achievements, contributions and influence of Black individuals throughout history and in modern society. Through a range of engaging activities, inspiring speakers and interactive workshops, our pupils learned about the importance of equality, diversity and inclusion, while also exploring the positive impact that Black role models have had in sport, culture, science and wider society.

Our pupils represented the school brilliantly throughout the day, demonstrating excellent behaviour, enthusiasm and respect. They eagerly participated in discussions, asked thoughtful questions and embraced the opportunity to learn from the experiences and stories that were shared.

We are incredibly proud of our Year 5 pupils for the way they conducted themselves and would like to thank the LFC Foundation for organising such an inspiring and memorable event.

CROSS COUNTRY SUPERSTARS

Well done to our fantastic Year 3 to Year 6 cross country runners, who recently represented our school at the latest cross-country event in Bootle.

The course proved to be a real challenge, testing the determination and resilience of all participants. With a demanding route and a tough incline right at the finish, our runners had to dig deep and show great perseverance as they pushed themselves to the end.

Despite the challenging conditions, every one of our pupils performed brilliantly. From the starting whistle to the final climb, they demonstrated excellent effort, determination and sportsmanship. It was wonderful to see them encouraging one another and representing our school with such pride. A massive thank you to Mrs Ashcroft and Mr Roy for giving up their time to be there for the kids.

A FANTASTIC FEW WEEKS OF FOOTBALL SUCCESS!

We are incredibly proud of our footballers, who have enjoyed a fantastic run of success in recent weeks at the local Sefton tournaments held at Chesterfield. Our Year 5 boys got things off to a wonderful start by winning the tournament, showcasing excellent teamwork, determination and skill throughout the competition. The boys represented St George's brilliantly and thoroughly deserved their success. They will now go on to represent Sefton in a tournament in the Spring term, an unbelievable achievement.

Then, the following week our Year 4 boys travelled to Chesterfield for their own Sefton tournament. They also performed exceptionally well, competing with great enthusiasm and resilience to secure an impressive third-place finish. The boys should be incredibly proud of their achievement against strong opposition. A huge thank you must go to Miss Rowe, whose dedication, encouragement and expertise have played a key role in the development of our football teams.

We would also like to give a special mention to three talented footballers who have earned selection for Sefton Schoolboys. Congratulations to Jack (Year 6), who recently scored for the team, and to Bodhi and George (Year 5) on their fantastic achievement. Being selected to represent Sefton is a tremendous accomplishment and a reflection of the hard work, commitment and talent they demonstrate both in school and beyond.

Well done to all our players, you continue to make us all extremely proud.

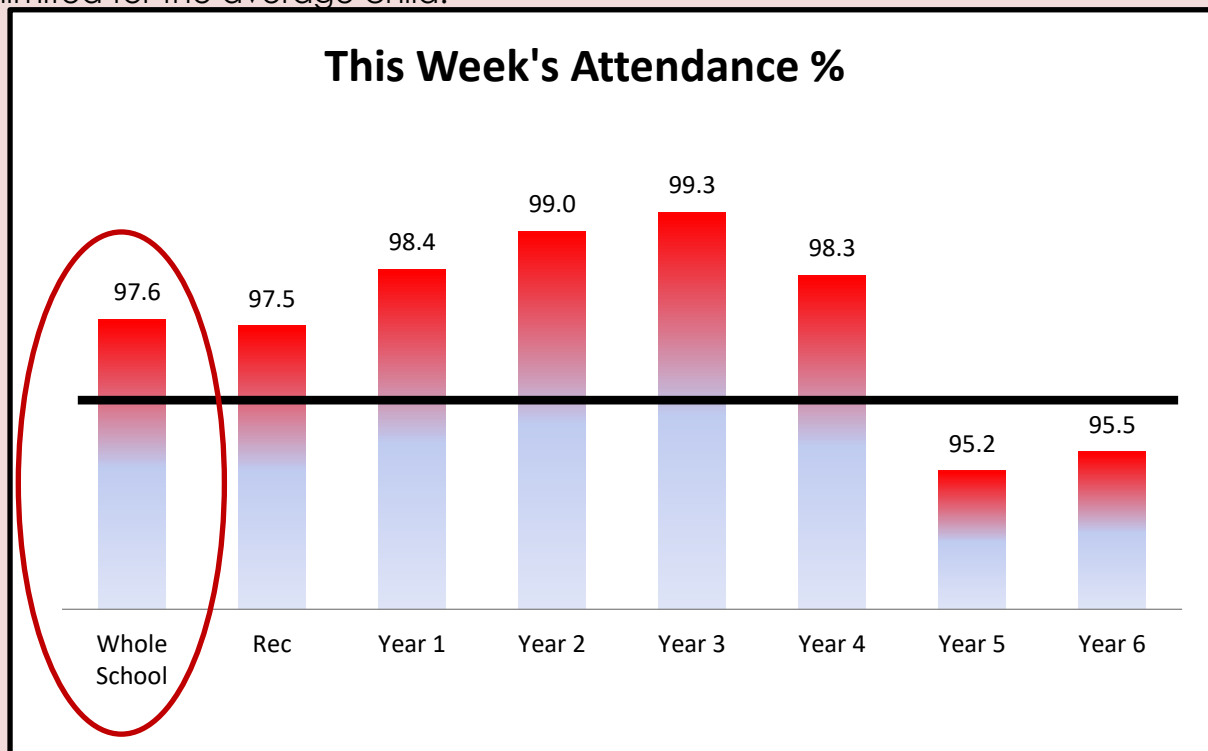

SCHOOL LEVY

Each year, we ask parents for their donation towards the school levy. This money helps the Archdioceses repair school buildings and St George's have benefited considerably from this fund over the years. The school and grounds have improved significantly over the last number of years, and we remain committed to continuing this drive forward. School levy is set at **£10.00 PER FAMILY**, not child. For our school to continue to receive funds for developments, our school must make the Levy contribution. Please could we ask that each family pay their contribution of £10 via the app. If you have more than 1 child, it should be allocated to just one of them. We would like to extend our sincere thanks to all the families who have paid their school levy this year.

ATTENDANCE

As a school, we are ABOVE our school target, such a brilliant week! **The school target is 96.5% - as represented by the black line.**

Attendance remains one of the Governments key elements to improve. They expect children to be in school every day, unless of illness, which should be limited for the average child.

Well done to Reception, Years 1, 2, 3 and 4 for getting above our school target!!
