

## Literacy

We will be looking at the traditional tale of 'I want to Eat this Ant' by... the children will be learning:

- To use some of their print and letter knowledge in their early writing.

- To write some or all of their name

- To write some letters accurately

They will be mastering...

- Spell words by identifying the sounds and then writing the sound with letter/s .

- Form lower-case letters correctly

- Re-read what they have written to check that it makes sense

## Maths

The children will explore the composition of numbers within 5. They will begin to compare sets of objects and use language of comparison.

Pupils will:

- Identify when a set can be subitised and when counting is needed.
- Subitise different arrangements both structured and unstructured
- Make different arrangements of numbers within 5 and talk about what they can see.

## Understanding of the World

In Religious Education the children will learn...

- I can retell the story of Christmas.

- I can discuss and give reasons why Christmas is a happy time for Christians.

When looking at my local area, the children will learn...

- To be able to talk about where they live.

- To be able to say why I like where I live.

- To be able to identify familiar local features.

- To be able to talk about their house.

- To describe who lives in their house.

# Team Acorn Autumn 2 2025 Key Learning

## Key Information

Welcome to our exciting Autumn term, here are some important key information for this term.

### Homework:

Our homework will be sent out on the following days:

Monday - Read Write Inc and new sharing book

Friday - Weekly home challenge - this task will be a practical activity or task to support the children's learning.

### PE Days:

Our PE will be every **WEDNESDAY**. PE kits will be sent home at the end of the term.

### Outdoor Clothes

Please ensure your child has a named pair of wellington boots on the wellington boot stand outside of our school door and an appropriate coat for cold, wet days.

### Reminders

Kingsley journals will be kept in school on a Thursday and will be returned on the **FRIDAY**

When exploring the seasons, the children will learn...

- To explore how the season changes from Summer to Autumn.
- To talk about what you see, feel and smell in the autumn season.
- I can use new vocabulary linked to this seasons.

## Expressive Arts and Design

In Design and Technology, the children will be learning to...

- To explore pop-up mechanisms.
- To use scissors with control and co-ordinator.
- To follow a simple design.
- To design and make a simple mechanism.
- To share my thoughts on an artist's work.

## Physical Development

Throughout the day and in our PE lessons the children will learn...

- To dress and undress themselves ready for PE.
- To use PE equipment safely by following simple instructions.
- To kick a ball with control
- To push a ball with your dominant foot.
- To kick a ball at speed.
- To return equipment away safety.
- To know that exercising our upper body will help our handwriting.
- To handle scissors with control and co-ordination.

## Personal, Social and Emotional Development

Through our Coram programme the children will be learning...

- To be sensitive towards others and celebrate what makes each person unique.
- To recognise that we can have things in common with others.
- To use speaking and listening skills to learn about the lives of their peers.
- To know the importance of showing care and kindness towards others.
- To demonstrate skills in building friendships and cooperation.
