

## Literacy

Our text

*The Selfish Giant*

By Oscar Wilde

In the unit, we will be focusing on subjunctive form, passive voice and semi colons

## Maths

In maths, we will be focusing on decimals, percentages and ratio.

## Science - Light

Recognise that light appears to travel in straight lines

Use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye

Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes

Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

## Art - Sculpture Unit

Figurine Sculpture

Explore texture and form through manipulating the clay.  
Show understanding of form through creating a wire and foil armature  
Continuing to use a sketchbook to record artistic process.

Team Oak  
Spring 1  
Key Learning

## Key information

### Homework

Sent out every Friday. There will be a maths task, SPaG task and a spelling task. Please also ensure your child is reading at least 3 times a week and practising their times tables.

### PE days

### FRIDAYS

Year 6 to wear PE kit to school

### Any visits/events

### Reminders

Please ensure children have their books in their bags so that they can be swapped on their allocated day.

## RE- Christianity

Are Humanist and Christian ideas about science, conflicting or complementary?

Does the Big Bang Theory disprove the Genesis account on Creation?

## Geography

Children will be focusing on developing their field work skills. They will be using maps and exploring their local environment.

## Computing - Programming

Learner will become familiar with variables in games. They will explore variables, create their own and develop coding for different variables.

## French

Playing and enjoying sports.  
Children will be learning about how to discuss information about sports and sharing their opinions.
