

Literacy

Our text

The Island

By Jason Chin

In the unit, we will be focusing on passive verbs, progressive and perfect verb forms, organisational devices and introducing the use of colons.

Maths

In maths, we will be focusing on area, perimeter and volume and statistics.

Science - Evolution & Inheritance

- recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

DT - Cookery

Breakfast Pasties

We will learn about where the key ingredients for our pasties come from and how they are made. We will develop design ideas and apply skills including measuring, grating, cutting to create our pasties. We will also evaluate our final product in order to suggest improvements for future making.

Team Oak
Spring 2
Key Learning

Key information

Homework

Sent out every Friday. There will be a maths task, SPaG task and a spelling task. Please also ensure your child is reading at least 3 times a week and practising their times tables.

PE days

FRIDAYS

Year 6 to wear PE kit to school

Any visits/events

Reminders

Please ensure children have their books in their bags so that they can be swapped on their allocated day.

RE- Sikhism

Learn and research about Sikhs place of worship including their holy book and what happens in a Gurdwara. Research Sikh ceremonies and important celebrations including Naam Karan.

History - WW2

Children will learn about World War Two and how Kingsley was impacted by it. We will use a range of sources to build an understanding of how our community was affected by the war.

Computing - Data & Information

Introduction to Spreadsheets

Learner will be taught the basics of organising data into columns and rows. They will then be introduced to basic formulas.

Music

Linking to our history we will explore war time songs and learn to sing them.
