

Literacy

Our text

Manfish

By Jennifer Berne

In the unit, we will be focusing on using single dashes, hyphens, a range of cohesive devices and relative clauses

Maths

In maths, we will be focusing on shapes - particularly learning about angles - and position and direction.

SATs

Year 6 children will be completing their SATs this half term. They will have

- Reading paper
- Spelling, Punctuation and Grammar paper
 - Maths arithmetic paper
 - Maths reasoning paper x2

In the afternoons during SATs week, Year 6 will be focusing on physical, mental and emotional wellbeing.

Art - Painting

Expressionist fish painting

We will learn an artist called Mike Salven who creates expressionist art using layers of acrylic paints. We will experiment with colours and how best to layer them and develop our understanding of using mixed media.

Team Oak
Summer 1
Key Learning

Key information

Homework

Sent out every Friday. There will be a maths task, SPaG task and a spelling task. Please also ensure your child is reading at least 3 times a week and practising their times tables.

PE days

FRIDAYS

Year 6 to wear PE kit to school

Any visits/events

Reminders

Please ensure children have their books in their bags so that they can be swapped on their allocated day.

RE- Christianity

Children will learn about the similarities and differences within Christianity locally and globally. They will explore knowledge through buildings and music.

Geography - Volcanoes & Earthquakes

Children will learn about the different types of volcanoes and locate the tectonic plates on a world map. They will be able to explain the causes and effects of earthquakes.

Computing - Creating Media 3D modelling

Learner will begin to develop their knowledge of how to use a computer to produce 3D models.

French

Children will learn about food and drink. They will be able to read simple menus and order from them.
