

Literacy

Our text

Star of Fear, Star of Hope

By Jo Hoestland

In the unit, we will be focusing on expanded noun phrases, punctuated speech and passive voice

Maths

In maths, we will be focusing on place value and addition, subtraction, multiplication and division.

Science

Animals including Humans

Describe the changes as humans develop to old age.

Identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood.

Recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function.

Describe the ways in which nutrients and water are transported within animals, including humans.

WS Investigation:

Heart rate poses

(Skill: Use test results to make predictions to set up further comparative and fair tests)

Art

Drawing Unit

Emotive soldier art

Developing pattern through hatching, crosshatching and stippling

Developing value (dark to light) with charcoal and graded pencils

Continuing to use a sketchbook to record artistic process.

Team Oak
Autumn 1
Key Learning

Key information

Homework

Sent out every Friday. There will be a maths task and a SPAG task. Please also ensure your child is reading at least 3 times a week at home and practising their times tables.

PE days WEDNESDAYS

Please wear correct PE kit to school that day.

Reminders

Please ensure your child always has their current reading book in their bag so that they can be used in school time for independent reading.

RE

World views

What does it mean to live in a religiously diverse world?

Research religious diversity in the UK
How are celebrations such as birthdays different for different religions?

What is discrimination and how can it be caused?
