

Year 6 Spring 2 Overview

Writing

We are going to create lots of opportunities for writing in different forms based on our previous reading of *The Last Bear* and *Varjak Paw*.

We are going to sharpen our skills in writing narrative and non-narrative to produce great examples of what we have learned so far!

We will also create writing based upon a new book called '*Greenling*' and explore writing from different points of view and how to write setting descriptions with atmosphere.

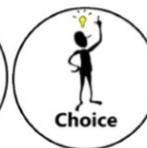

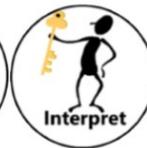

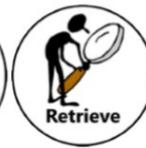

And of course, we will be developing our fluency of knowing and talking about

Reading

We will be looking at our reading skills and how to respond to new texts clearly and thoroughly.

We will be practising reading new short texts and responding to them using SATs techniques for all the different question types.

Maths

We will be practising our general maths skills and securing our arithmetic and reasoning in preparation for SATs.

We are going to work super-hard in target groups to secure our use of everything we have learnt to tackle arithmetic and reasoning (real-life) problems and make sure we are the BEST we can be and ready for May!

P.E

We will be working with a sports coach for indoor PE sessions and also developing our team building skills and strategies through different games and activities for outdoor PE.

Art

We will be exploring different craft skills and using a range of creative techniques to produce exciting art pieces.

Computing

We will be learning how to create and manipulate spreadsheets
